

How to register for online events and access online forums in POLIS

Registration for new POLIS members:

1. Go to <http://polis.osce.org/>
2. Click on "Events" on the top bar
3. Click on the event you want to register for
4. On the event page, click on the "Register for this online event" link.
5. Register for POLIS and the Forum: Please fill in the registration form including your POLIS username and password and click on the "Register" link. You will need the POLIS username and password to access the Forum later on
6. You will receive an automatic notification of your event registration request to the e-mail address you specified during the registration. You will receive another e-mail when the event organizer reviews and accept your request for participation in the event.

Registration for existing POLIS members:

1. Go to <http://polis.osce.org/>
2. Click on "Events" on the top bar
3. Click on the event you want to register for
4. On the event page, click on the "Register for this online event" link.
5. Please sign in to POLIS using the sign-in form on the right before registering for the forum.
6. When you are signed in, you will see a registration form pre-filled in with the information taken from your user profile and submit your registration form by clicking on the "Register" link.
7. You will receive an automatic notification of your event registration request to the e-mail address you specified during the registration. You will receive another e-mail when the event organizer reviews and accept your request for participation in the event.

Access to the Forum:

1. Since the participation in online events is based on users' accounts, you need to sign in to POLIS first using your POLIS username and password.
2. When you're signed in to POLIS please click on the red banner "Access to online forum" in the right column.

If you require additional assistance with signing up to POLIS or accessing the forum, please contact polis@osce.org
